

**Call for Papers for Advanced Experimental Mechanics (Vol.2) to  
be published by the Japanese Society for Experimental  
Mechanics (JSEM)**

**Dear Participants in 11<sup>th</sup> ISEM '16-Ho Chi Minh:**

Since the 1st ISEM'06-Sapporo (Japan) in 2006, we have been publishing a Special Issue after the ISEM. Toward further development of the JSEM, we launched a new Journal of "Advanced Experimental Mechanics (AEM)" in 2016, in place of the usual Special Issue. Prospective authors are invited to submit **their papers in a specified format\* along with a submission form** through the AEM Website

[http:// www.jsem.jp/journal/aem](http://www.jsem.jp/journal/aem)

Submissions will soon undergo the normal review process by two independent referees. Please remind that if accepted for publication in the AEM, all authors should pay for submission fee (¥35,000\* within 6 pages for JSEM members and ¥45,000 for JSEM non-members), which covers a copy of AEM volume and a pdf reprint. Kindly notice that color printing will be charged additionally if it is liked by the authors. \*Note: ¥ 100 = 0.97 US\$ (as of October 8, 2016)

Note that participants in both the 10<sup>th</sup> ISEM '15-Matsue (Japan) and the 9<sup>th</sup> ISEM '14-New Delhi (India) as well as in the 11<sup>th</sup> ISEM '16-Ho Chi Minh (Vietnam) are qualified to submit their papers if they have not submitted to any other Journals for review.
