

Call for Papers for *Advanced Experimental Mechanics Vol.9, 2024*

We cordially invite you to submit your recent work to Advanced Experimental Mechanics (AEM), which is an official English journal published by the Japanese Society for Experimental Mechanics (JSEM) that publishes papers annually (or every August) in all areas of experimentation including its theoretical and computational analysis.

Approximately two months later after the publication of AEM, all papers are published on-line through the J-STAGE developed and managed by The Japan Science and Technology Agency (JST). Furthermore, the accepted papers after peer reviews are soon posted on the AEM Website sequentially before the formal publication of AEM.
