

Accommodation

We recommend several hotels near the Symposium place “Kunibiki Messe” (Shimane Prefectural Convention Center) and near JR Matsue station.

The Symposium period (November 1-4) is in the highest sightseeing season in Matsue. It is, therefore, very difficult for visitors to reserve rooms at Hotels at reasonable rates about that time. For the sake of the prospective participants, we have uploaded useful Hotel Information. We strongly advise you to reserve Hotel accommodation as early as possible by E-mail or Fax.
